

Word Project 1 – Creating and Editing a Word Document

Follow the steps below.

1. Open MS Word
2. Save the file to OneDrive the name Ride Flyer
3. On the first line of the document, type Learn to Ride
4. Press ENTER once
5. Click on the Home Ribbon. Then click the Show/Hide ¶ button to show symbols. This button turns on and off the non-printing characters in a document.

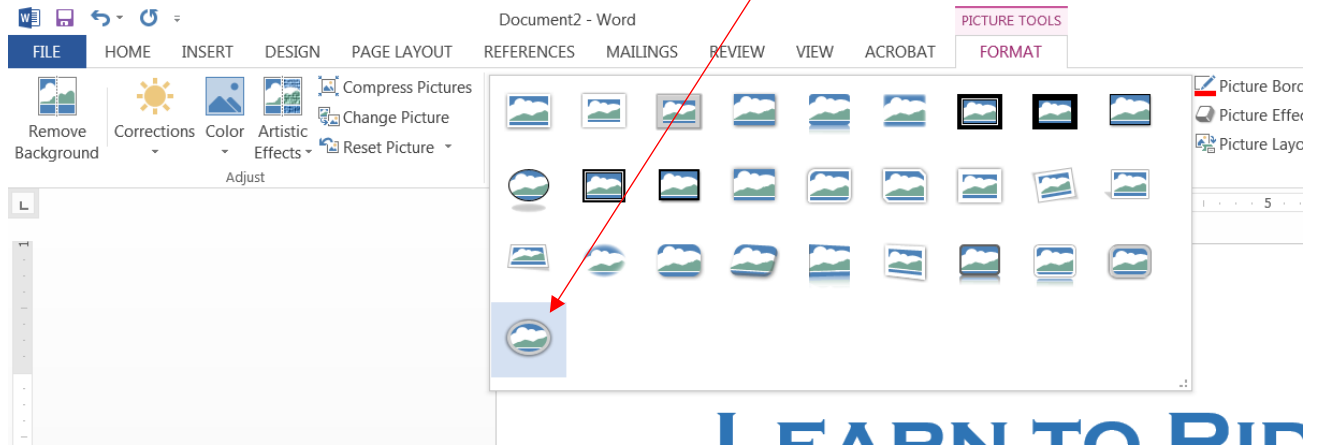

6. Type High-quality Western and English riding lessons, focusing on safety including instruction on horse care, saddling a horse, and other aspects of horsemanship.

Wordwrap allows you to type words in a paragraph continually without pressing the ENTER key at the end of each line. When the insertion point reaches the right margin, Word automatically positions the insertion point at the beginning of the next line.
7. Press ENTER twice.
8. Type Novice to advanced instruction for children and adults then press ENTER once
9. Type Indoor and outdoor arenas then press ENTER once
10. Type \$40 per hour for private lessons; \$25 for group lessons then press ENTER once
11. Type Call Tri-Valley Stables at 555-2030 today! *(the last line of text you just typed is called the signature line)*
12. Press CTRL + S to save your changes
13. Select the text Learn to Ride (on the first line of the document; this is called the headline)

14. Click Heading 1 in the Styles gallery on the Home Ribbon. With the text still selected, press CTRL + E to center the text. Change the font to size 48. Change the font to Copperplate Gothic Bold.
15. Select the last line of text in the document and then click Heading 2 in the Style gallery on the Home Ribbon. Center this line of text.
16. Select the middle four lines of text (Starts with “High-quality” and ends with “lessons”)
17. Change the font to size 16
18. Save changes (CTRL + S)
19. Select the middle 3 lines (Begins with “Novice” and ends with “lessons”)
20. Click the bullets button on the Home Ribbon to add 3 bullets
21. Select the phrase Western and English. Make these 3 words bold.
22. Select the Word and in the first bulleted sentence. Underline it.
23. Select the last line of text in the document. Make it italic. Change the font size to 20.
